President to initiate international consideration of a plan to establish

a world peace tribunal. Several Democratic Senators sought recognition from the Chair in considerable excitement, and it looked as if a bitter wrangle over the parliamentary status of the Knox resolution was imminent when Senator Lodge moved to adjourn till noon Monday. This motion carried by acclamation.

While the Knex resolution is not left pending before the Senate, the next move of the Republicans will be on Monday to bring it up and obtain nction on it without unnecessary

Lodge Says All Is Over.

Fifteen minutes after the Senate had adjourned Senator Lodge in his committee room announced to the assembled newspaper correspondents;

"It is all over, gentlemen; the treaty has been sent to the White

"The physical document," he re-

The long day of speech making offered

Definite Refusal of Consent.

After the vote had been counted the

receive the two-thirds majerity required by the Constitution, the Senate does not advise; and consent to the ratification of the treaty.

There was no applause or excitement. Senator Lodge instantly moved to instruct the Secretary of the Senent with notification that the Senate ad been unable to ratify it.

The resolution provided: That the Socretary of the Senate instructed to return to the Prestbent the treaty of peace with Germany signed at Versailles, on the 28th day of June 1919, and respecfully inform the President that the Senate has failed to ratify said treaty, being unable to obtain the constitutional majority required therefor.

Senator Hitchcock begged to defer the etlon until to-morrow, urging that the yet be brought together,

ntor Lodge replied that the Senate now twice had rejected the treaty. its ratification was hopeless, and it should not continue interfering with huginess. The motion to send it back the poles in purpose, voting now together to the President was the customary one, in the President was the customary one, bination the President must be held rehe said, and should be adopted. He sponsible, said he did not offer it last November Examining the reservations, he de after the treaty's rejection, but should clared them simply calculated to pre-have done so. He now insisted that it serve American interests. As to Ireland, tesded that the resolution must under who are the "real friends of Ireland the rules lie over a day, but the Chair for those who yesterday inserted the ruled to the contrary, and ordered the Irish resolution will to-day vote against DE VALERA REJOICES roll called on the Lodge motion to ret to the President with notice of

Almost a Party Vote.
On this the Senate voted ayes 47, noes 27; almost a straight party vote. It was at this point that Senator Robinsom made his first motion to reconsider they vote by which the treaty had been the robins of the vote by which the treaty had been the vote by which the treaty had been the vote to ratify as now, not what should be done, but what can be It was at this point that Senator Robinsen made his first motion to reconsider
the vote by which the treaty had been
rejected. The Watson motion to table
was lost because the "mild reservationists," still hoping for something like a
miliacle such as ordern from the White
House to the Democrats, thought there
in the sale of world peace and world stamiliacle and as change to ratify on reconthe vas at this point that Senator Robinsen made his first motion to reconsider

to make of Senator Gerry's resolution exto senso the future—the influence of this
country for good will not be less becountry for good will not be less beto ratify. I appeal to Senators and to
the President to compose their differthe voice in a specific price of the results of the Irish people for a government of
their own. He sent a cablegram to Arcourse seems to be to seize the first
opportunity, likely to be offered in a
little more than a year, to adhere to
the leasure.

"A Te Deum should be sung throughmight be a chance to ratify on reconsideration. Therefore, Senators Hale (Me.), Kellogg (Minn.), Keyes (N. H.).

Labroot (Wis.) and McNary (Ore.) the first reservation yesterday, now changed sides and voted with the Democratic phalanx, thus defeating the more ratify the treaty, Senator Edge (N. J.), sacrifices made victory possible; we ratify the treaty, Senator Edge (N. J.), sacrifices made victory possible; we can of the

egn and much confusion ensued. Chinking to clinch their advantage, the Democrats shouted for adjournment and Senator Robinson moved it. But it was voted down, 32 to 42, the mild reserva- November voted against ratification tionists returning to their old loyalty.

It was Senator Brandegee who saved support it and he presented an anthe day for the anti-ratificationists by making the point of order that when the motion to reconsider was made it was out of order hecause the Senate Republican Senators, he said, no dishado ordered the treaty and the treaty and dishado ordered the treaty and the treaty and

Ruling of the Chair.

This was argued as a question of

"If the treaty actually were in the hands of the President," he said, "it evations; the Democratic convention would be beyond the Senate's powers to for no reservations at all, or for merely said.

Thus the string to the freaty was cut. Once more the treaty theoretically was out of the Senate's possession. Then Sepator Lodge made a proposition, again having matters in his own hands, elt is plain, he said, "that there are Schators who want a second vote on the treaty's ratification. Very well. I will agree to that if it can be had without debate and to-night. I want it disposed of new, and therefore I ask unantiques consent to reconsider and vote on it right new."

This beautiful theoretically was cut two seats in the next Senate, and one, the two seats in the next Senate, and one, the two seats in the next Senate, and one, the two seats in the next Senate, and one, the two seats in the next Senate, and one, the two seats in the next Senate in the next Senate

14 Democrats Change to Ratification Side

Special to THE STN AND NEW YORK HERAUD.

WASHINGTON, March 19 .-On November 19 last the German treaty was rejected by Senate with 41 voting for and 51 against ratification with the Lodge reservations. To-day it was rejected 49 for and 35 against ratification, failing to receive the necessary two-thirds.

The following Democrats who voted against ratification on November 19. voted for it to-day: Senators Ashurst (Ariz.), Beckham (Ky.), Chamberlain (Ore.), Fletcher (Fla.), Henderson (Nev.), Kendrick (Wyo.), King (Utah), Nugent (Idaho), Phelan (Cal.), Ransdell (La.), Smith (Md.), Trammell (Fla.), Walsh (Mon.), and Walcott (Del.).

s session. That is the uities it be deposited in sixty days from the addention by the Senate. He extended to have the issue settled, it walt on other it would be peace or an extension of the state of war. Senate to the Committee to the Committee to the control of the state of the state of the senate and said the public was entitled to have the issue settled, it is treatly because of this difference in the committee to the control of the state of war. Senate to Hitchcock observed that he had unless it be deposited in sixty days from party man I am constrained because of my loyalty to derstood Senator Brandegee wanted to take the issue to the people, and was sleep through the rest of the session, surprised at the reservation being JUDGE RECOGNIZES.

There is no hope that hereafter wathe coming campaign, and even if the In his ruling Senator Cummins, as Democrats should sweep the country hospital, leaving instruitiens to notify the chairman declared that the analogy between bills and the treaty was not sweep the senate to insure rational country two-thirds of the Senate to insure rational conference o I think the rule does not interpretative ones. Even if the Demapply and the chair holds that when the more than five Senatorial seats; prob-the motion to reconsider was made it was not in order."

The does not interpretative operations and the split prior to the war as a physi-cian's assistant.

The does not interpretative operations are a physical prior to the war as a physi-cian's assistant.

This brought Senator Brandegee to his feet. "Some Senators aready have gone home." he protested. "It would not be fair now to take another vote. If we can be assured that all Senators are first covered by pairs we will agree; not wherevise."

Benator filt-hoock likewise objected to an immediate vote on the reconsidera.

Benator Myers (Mont.) announced

Benator littchcock likewise objected to an immediate vote on the reconsideration. We make as well take a day or too to cool off, he said.

If want to know, interpored Senator Borah, "whether all the Senators are not certain of that you may be sure there will be no vote if I have to stay here and talk all night. I suggest the are of a quorum."

It was to know, interpored Senator are not certain of that you may be sure there will be no vote if I have to stay here and talk all night. I suggest the are of a quorum."

It is the best possible in the conditions, and therefore should be

Hoke Smith Is Critical.

Mr. Myers was disappointed deeply that the Kaiser had not been tried by the alfied Powers, and thought it was one more mistake calculated to save the German people from a proper realiza-tion that they have been defeated.

"When the President says the treaty had been nuilified by the reservations he used an inaccurate and an unfortu-nate expression," declared Senator Smith (Ga.). "Some of its provisions indeed have been nullified and some of them should have been. The League of TRIBUNE' BLAMES WILSON SHIP CIRCLES STIRRED Nations still has too much power left

to it, not too little." Mr. Smith said the treaty ought to be ratified, because by that course alone would it be possible to restore peace in the world and the resumption of peace time conditions in this country.

Senator Owen (Okla.), announcing that he should vote for the treaty for the second time, told the Senate that before the President went to Paris he (Mr. Owen) strongly advised the President to take with him representative Senators and to keep the Senate fully in-
